## **IX INTERNATIONAL CHESS OPEN "HOTEL CEMAR\*\*" "FERNANDO MARCOTE IN MEMORIAM"**

## GENERAL BASES:

- The tournament will be played in 9 rounds Swiss System.
- The pace of play will be 90 minutes of reflection per player for the whole game, plus an increment of 30 seconds per move played.
- The pairings will be computerised (VEGA Programme) and no complaints will be accepted in this respect, except for errors in the manual introduction of results.
- The tie-breaking system will be drawn by lot at the end of the last game of the last round among the following tie-breaking systems: Bucholz Total FIDE, Bucholz -1 FIDE (subtracting the worst score) and Bucholz -2 FIDE (subtracting the 2 worst scores). If a tie persists between 2 or more players, a draw will be held to determine the final ranking.
- The tournament will be valid for International Chess Norms, ELO FIDE and ELO FEDA.
- Rest days (BYE). BYES are days off that can be requested by the player always in writing or by email. Each player can request a maximum of 3 BYES, always before the seventh round. The BYES corresponding to the first round must be formalized via email (with acknowledgement of receipt) before the end of the registration period and will have to be validated by the organizer. The BYES corresponding to the next five rounds (2nd to 6th) must be formalised before the end of the first round. In the requested round, the player requesting the BYE will not be paired and will be awarded half a point.
- Players who have not paid their registration fee before the end of the first round will not be paired in the next round.
- Participants will be required to have an appropriate clothing, both in the Playing Room and at the Closing Ceremony.

- Registration in the Tournament implies that participants authorise the publication of their personal data and image (photos, videos, etc.) in the different media that the Organisation considers appropriate for the necessary dissemination of the event (list of players, list of results, classifications, pairings, games, web, television, etc.).
- Any complaint shall be formalised in writing and at the latest one hour after the occurrence of the event that is the object of the complaint. The complainant must accompany his written complaint with a deposit of 25 € which will be returned if the Appeals Committee upholds his claim.
- The Appeals Committee shall be composed of five members: three full members and two alternates. It shall be chaired by the Tournament Director, or such other person as the Director may designate, and the four highest rated players in the tournament. The first two as starters and the next two as substitutes.
- Sofia's Rule: It shall be forbidden to draw with the opponent before move 30, without the consent of the Chief Arbiter or his delegate.
- The game shall be forfeited if the player is more than 30 minutes late for the scheduled starting time of the round, except in the first round, where a delay of one hour shall be tolerated. In both cases, it shall be at the Referee's discretion to relax the tolerance time.
- The use or possession of mobile telephones or any other electronic media will not be permitted during the playing session. Possession or use will result in forfeiture of the game.
- Once the game is over, players must leave the pieces in their initial position.
- The Tournament will be governed by these Rules and by the updated FIDE and FEDA Regulations.
